

**BENCHMARK[™]
GRILLES**

return air grilles CATALOG

BUILT-IN *character*

Beautifully crafted and carefully engineered, Benchmark Grilles add clean lines and distinctive style to any home. These sophisticated vent covers are paintable and ready to match any room's wall or ceiling palette.

WONDER IN WOODS

The skilled craftsmen of Benchmark Wood Studio are experienced in working with nearly every kind of wood, from familiar hardwoods to the exotic species across the world.

PRECISION CUT

Carefully fabricated in Holland, MI on a state-of-the-art CNC router, every grille is guaranteed to have a smooth finish and a perfectly cut decorative edge and design.

INTRICATE STYLE

Available in over 20 intricate design patterns that come unfinished and ready to be stained or painted to match any color palette.

CUSTOM DESIGNS

Constructed out of a variety of wood species and to almost any size. Simply contact us with your measurements and desired material for special pricing.
